# AGGREGATE UPDATES

## KSR President

The last couple months have seen a number of changes for K.S.R. The elections at the golf outing replaced a couple of K.S.R. long timers, Kevin Robertson and James Braun. Thanks guys for your service and good luck to you as you move on to bigger and better things. Bill Hansen and Ryan Murphy stepped it up to take their place and I am excited to be able to work with them in the next year.

The lease with Marquette is finally complete and signed. This took up a large portion of our time over the last couple years and the board is excited to be able to dedicate time to other ideas. In order to generate some of these new ideas, the new board got together for a planning meeting and we have decided on three main tasks we would like to accomplish in the near future. These tasks include increasing our philanthropic activities, recognizing excellence in our fraternity, and improving alumni involvement.

In an effort to accomplish some of these tasks we are looking for interested individuals to serve on two separate committees. The first committee's purpose is to place a memorial to Len Staab somewhere in the fraternity house. The second committee's job is to plan a small social event once a month in between our current major events, Founder's Day and Golf Outing. These events would rotate between Chicago and Milwaukee. Any one interested in participating in either committee, let me know.

My personal goal as president this year is to increase alumni awareness of events and fraternal issues through the use of technology. It is my intention to update our website more often with pertinent information and email a monthly update to members. If you are interested in receiving these updates, send an email to [marquette-triangle-subscribe@yahoogroups.com](mailto:marquette-triangle-subscribe@yahoogroups.com).

I am excited about the opportunity to work with our new board and hope to increase the value of Triangle our lives.

Br. Patrick Clemins, KSR President

## KSR Internal Vice President

After deciding to run for KSR last fall I now find myself in the important role of Internal Vice President, responsible for being a liaison to the Active Chapter. One of the most important goals I set for myself this year is to attend Triangle events and get to know the Actives. I have been away from the house for a few years now, and I see many new faces in the Chapter, some of which I have yet to meet.

My second goal for this semester is to aid the Active Chapter External Vice President, Br. Kamil Karmali, in teaching the Brothers to become more active recruiters. By the time this article is published we will have already held a Recruitment meeting prior to the start of the semester. At this meeting Br. Jason Moulden and I reviewed with the Actives ways to identify potential members, the positive aspects of Triangle, questions that potential members may have about joining a fraternity and how best to answer those questions.

Finally, I want to expand on the Membership Development Program started by Br. Andy Anderson in 1998. One way of doing this is to work with the Active Chapter Internal Vice President, Tim Wojnar, to decide which subjects to present and then to schedule guest speakers to the house to cover these topics. I also think a couple of these speakers could be made open to the entire College of Engineering, and therefore, help us with recruitment and further improve Triangle's image on campus in general.

## KSR Secretary Report

Happy New Year to everyone! I hope you and your families had a great Holiday season. We at KSR are settling in for the new year and the Actives are studying hard and trying to get new Brothers. I have come full circle and am now the Secretary for KSR and look forward to another year working with the Board, the Actives and the University. I wanted to take this opportunity to bring you up to date on the Dr. Arthur Moeller Scholarship. Thanks to the generous donations of our Alumni we have grown this scholarship fund to close to \$500,000. Because of your generosity, we were able to award \$24,300 in scholarships for the 2004/2005 school year. The following Brothers were scholarship recipients:

Scott Town	Ben Nave
Ross Guerin	Bernard Edwards Jr.
Anthony Fahres	Antone Long
John Onopa	Wesley Pedersen
John Daniels II	Jeremy Matus
Daniel Merkel	John Zeirke
Matthew Hellenthal	Stewart Lightfield
Scott Pappada	Zachary Meyerhofer
Derek Fennig	Tyler Sutton
Timothy Wojnar	

For a Brother to qualify for the Scholarship he must reside in the Fraternity House and then they are evaluated on scholastic achievement, Brotherhood and service to Triangle. They are as grateful to receive the scholarships as we are proud to award them.

We appreciate the continued generosity of the Alumni and look forward to the Actives becoming future donors to this worthwhile scholarship fund.

Thank you once again for the support you have given. If there are any questions regarding the scholarship fund please feel free to contact me. If you have not received your recent pledge request mailing and would like to make a pledge, please contact Jim Peck at Marquette University or myself.

Yours in F, S & C,  
Br. Bob Boehler, KSR Secretary

## KSR External Vice President

Greetings Brothers. With elections come and gone I have switched positions to External Vice-President. However, Bill Hansen and I have agreed to work closely together to better help both our positions.

I am currently looking to boost our alumni involvement with each other. KSR has performed its role effectively at helping the active chapter throughout the years, but I would like to see us go out and assist the alums as well. For this task I am hoping some of you can help. I would like any ideas any of you might have for activities, gatherings, outings or get togethers of all sorts. Big or small no idea will be refused. After the success of the recent reunion, I know you are out there and willing to make things happen. Please feel free to email me at AWOL97@gmail.com, call me at 847-846-9646, or write me the old fashioned way at the Triangle house.

Br. Barry Woods, KSR Ext V.P.

## Treasurers Report

As a new member of the KSR Ltd. Executive Board, and the new treasurer, I hope to follow the standards and excellent work by all those who have served on the board. Specifically, I'd like to thank the new KSR president and past treasurer, Patrick Clemins, for the excellent work he has done as past KSR treasurer and helping me transition into this position.

The Board's focus is geared towards building the Alumni involvement and support for the Active Chapter. However, as treasurer I will continue to actively collect promissory notes and past alumni debt. As a quick reminder to those who may have outstanding bills and debts, **"Pay all personal bills promptly, and always live within my means."**

KSR wants to specifically recognize those members who in the past year have given voluntary donations and payments to support our chapter. I apologize if I have accidentally left anyone off this list. Please contact me so you can be recognized.

I will work with Pat Clemins and the rest of the KSR board to provide monthly financial statements on the KSR website. You can contact me at any time to get the current balances and KSR financial information.

## KSR House Manager

As we all know it has been 10 years since our house was built back 1994. Therefore, many repairs and improvements will be performed in order to preserve and improve our Chapter House. We have recently drafted an agreement with Marquette for the maintenance of the house. In light of this new agreement I am glad to announce that many improvements projects are being planned for the near future. From now on, Marquette will be taking care of all major capital improvements around the house, along with Internet and phone services.

They have already started taking the first steps towards this on-going effort. The Chapter Room walls have been recently re-painted, as well as the hallways and basement walls. The next task will be the replacement of the carpets around the house, starting with the main stairwell, followed by the Chapter Room, the hallways, and finally the bedrooms. We recently purchased 26 new mattresses for all bedrooms. Currently we are looking into replacing the couches in the Chapter Room.

I foresee many projects to be completed during the next few years, so make sure to stop by whenever you get a chance.

## Active Report

Hello again from the actives!

For those who may not know, we have elected and installed our new e-board as listed below.

President: Daniel Christopher Merkel  
 IVP: Timothy Paul Wojnar  
 EVP: Kamil Farook Karmali  
 Risk Manager: Wesley Allen Pedersen  
 Treasurer: Andrew Michael Dolder  
 House Manager: Matthew Frank Hellenthal  
 Secretary: Christopher James Hoffman

We as an e-board would like to thank Brother Scott Michael Town for his years of dedicated service and commitment along with his outgoing e-board. Thank you!

It is our pleasure as the new e-board members to welcome two new members, Jeremy Edward Brackman and Val Daid Eisele III to our fraternity! Congratulations to you both!

As in the past, we are looking forward to starting our rush this spring. This year we were fortunate to have the help of Jason Moulden and Bill Hansen, two previous recruitment chairs, and members of KSR Ltd. to help us find successful ways to recruit new members. We thank them for their commitment and their leadership in this role.

Last summer, as many of you know, we (as an active chapter) were placed on social probation by the joint judicial board. Consequently we are continuing our efforts to rebuild our image and get off of social probation. One way we are working at this, is by going to different local area high schools and presenting to the students a program designed to facilitate awareness about the truthful effects that alcohol induces and the risks that are associated with its use. After completing more of these sessions we will have filled the requirements of our probation.

We are also pleased to see many of our actives taking leadership roles all over campus, including: Super Fan Club (FSC), Inter Fraternity Council (IFC) – Judicial Vice President, Engineering Student Council (ESC) – President, Secretary, Com-

mittee Chairmen, Institute of Electrical and Electronic Engineers (IEEE) - President, Marquette University Student Government (MUSG) - Senator, National Association of Engineering Student Councils (NAESC), AMU student manager, Student Safety Program, Field Trainer, Supervisor, drivers, and dispatchers, Kobudo Club – President, Vice President, Treasurer, Robotics Club - President, Solar Energy – President, Vice President, Treasurer, Secretary, Steel Bridge - President

We would like to thank everyone who has taken an active role in such wonderful activities.

This past semester has been one of many accomplishments for our actives in this fraternity. We have made strides individually and as a whole. I look forward to the strides that we will undertake this next year.

Thank you for your time and continued support,

In, F, S & C,  
 Br. Daniel C. Merkel, Active President

## Golf Outing 2004

Thank you to all the attendees of the 2004 Annual Meeting and Golf Outing, we had a beautiful day for golf and fun was had by all.

The results were as follows:

Low Gross:	Rob Szafraniec, 73
High Gross:	Jason Moulden, 146
Peoria Hdcp Winner:	Jason Smith, 95/59 net
Shortest Drive #1:	Jason Moulden
Closest To Pin #4:	Rob Szafraniec
Closest To Pin #13:	Julius Carter
Long Drive # 6:	Jason Smith
Long Drive #12:	Jason Sawyer
Long Putt #18:	Ross Guerin

For the past outing we went back to having the meeting and dinner at the course immediately after the round. This allowed us to shorten the day a little bit and made it more convenient for our Chicago area Brothers. Hope it helped you guys out!

We had 45 Brothers golf, 20 Actives and 25 Alums. I would really like to see a better Alumni turnout and I am open to any suggestions that will help. Please drop me a note! Also, mark your calendars for the end of September once again, we believe it will be held on Sept 24th at South Hills, but we will look around for other course options.

## Congratulations

On behalf of the KSR Board, I would like to extend a heartfelt Thank You and Congratulations to **Br. Kevin Robertson** who recently stepped down from the KSR Board to take a position on the **Triangle National Council**.

Kevin has been extremely active with the Fraternity since his initiation in 1992, he is a past Active President and was most recently the KSR President where he was instrumental in the recent MU lease negotiations and brought some much needed restructuring and refocusing to the KSR Board. I know that he will be equally motivating on the National Council.

Thank you for your years of service to Marquette and we wish you continued success at National.

## Oh.... No!!! LOST Brothers!!!

Some of our Alumni are not able to read this current Aggregate. Why you might ask?? The reason is that they are LOST!!! Neither we, nor National, have their current address information. As the new KSR Secretary, I have taken it upon myself to see how many we can "FIND". Below is a list of names and initiation date provided to us by National. If anyone knows any current information for any of these Brothers, I would appreciate a quick email, phone call or even mail. My contact information is shown on our roster elsewhere in this Aggregate. We need at least their current address. After that, National would like their phone number. Also, for our KSR records, it would be nice to have their email address. Any help you can give us would be appreciated. This also helps Marquette Triangle for Chapter Performance Awards, lost Brothers count against us. Thank you in advance to anyone who can send me some updated information.
