President's Article – February 2006

First, I would like to thank Robert C. Szafraniec for his many years of service to the K.S.R. board. Rob chose to step down at the last annual meeting, held after the golf outing, and let younger blood take his place. That younger blood is Julius Carter, who will be our Treasurer for the coming year. Our former Treasurer, Ryan Murphy, will assume the role of Director of Publications. Otherwise, the K.S.R. board from last year is the same.

Last year, the K.S.R. board's main goal was to increase the number of alumni events, and thereby, increase alumni involvement. While the number of events has definitely increased to at least one per month, we have not had the turn out to those events that we hoped. Accordingly, our goal this year will be to improve advertising for the events in an attempt to attract more people to the events. Those who did attend the new events last year definitely had a good time, and we would love to spread that fun around to the other alumni. To stay updated about current events, subscribe to our email list by sending an email to marquette-triangle-subscribe@yahoo.com or check out our website at <http://marq.triangle.org/KSR/>.

Our relationship with Marquette continues to be defined as we deal with issues such as who is responsible for various kinds of maintenance. Marquette has placed the house on its regular maintenance schedule and therefore comes around regularly to check on the heaters, lights, filters and other routine maintenance things. They have also agreed to replace the carpets in the near future.

Last year, we defined three main tasks we would like to perform which include increasing our philanthropic activities, recognizing excellence in our fraternity, and improving alumni involvement. We have established a working relationship with Habitat for Humanity and will continue to participate in their projects on a regular basis. To recognize excellence, we are working to recognize the donors to the house as well as those who have generously given time to the Fraternity. Finally, we have established regular events and will now work to increase attendance at those events. If anyone is interested in planning an event, let me know.

I hope the holiday season was enjoyable for you all and I hope to see you at this year's Founder's Day celebration.

Patrick Clemins

Past President & Active President Report

Hello again from the Actives!

For those who may not know, we have elected and installed our new e-board as listed below.

The new Triangle E-board is:

President: Jeremy Edward Brackman

IVP: Derek Harry Fennig

EVP: Joel John Pesch

Risk Manager: Timothy John Davis Jr.

Treasurer: Peter James Merkel

House Manager: John Paul Onopa

Secretary: Timothy Paul Wojnar

It is our pleasure as the new and past president to welcome six new members to our fraternity this semester! Congratulations to all of you!

As many of you know, this past fall, we hosted a benefit concert that generated over \$1,000 to Catholic Charities for Hurricane Katrina relief. We would like to extend our thanks for all of the support we received from KSR and all of our other alumni. Without your help this would not have been possible.

This semester we also participated in an all Greek community service event entitled Give Us 4 A Day. Over 90% of the chapter, along with a couple alumni, went out on a Saturday morning to help the elderly and disabled clean up their yards and winterize their homes. This year Marquette allowed this project to be solely run by the Greeks at Marquette so our good turnout should go a long way to showing them how first-class our organization is.

This next semester we will continue to focus on our philanthropy, grades, and improving brotherhood through spring recruitment. The new E-board is looking forward to improving on the success of fall recruitment and expanding our chapter numbers even further.

Thank you for your time and continued support,

Jeremy E. Brackman

Treasurer Report

As the newest member of the board I would like to take the chance to introduce myself to those who may not know me. My name is Julius Carter. I graduated from Marquette in May 2002 with a BSEE and currently reside in Pewaukee with my wife Michelle and daughter Allyson. I am very excited to be given the opportunity to again serve the chapter as a board member and look forward to working with all of you.

Before the end of 2005 arrives I plan on sending out reminders to all alumni with outstanding promissory notes. I encourage anyone with a remaining balance to contact me at your earliest convenience to pay your note in full or to setup an affordable payment plan. Promissory note income is counted on by KSR to help fund events to improve the chapter on all levels.

Aside from note collection I would like to remind everyone that there are other ways to help the chapter financially. We are a Pick 'N Save We Care charity and by getting an Advantage plus card or by filling out a change form for an existing card at the customer service desk of your closest Pick 'N Save you can help the chapter. Just write 400100 under the spot for charities and they will donate a portion of your grocery bill to us. We also have a voluntary alumni dues program that allows you to donate to the chapter. This program has allowed us to improve several items in the chapter house and hopefully will allow us to continue.

With that said, I would like to thank all the alumni who have paid their promissory notes or have agreed to a payment plan:

Paid in full:

Matthew T Burrows
Robert T Merkle
Benjamin H Nave
Scott Poppada

Payment Plan:

Mark D. Munschau
Michael D Kowalski
Matthew J Kennedy

House Manager Report

The upkeep of our Fraternity House is an ongoing effort that we have been coordinating with Marquette over the past year. We have completed many tasks thus far, however, in order to improve the quality of living in our Fraternity House, we need to identify new opportunities that will help us achieve that goal.

One of the projects we were able to accomplish this year was the installation of Internet and phone services for the Fraternity House. This service will be provided and monitored by Marquette as they already do with the dorms and Campus Town Apartments. Marquette will also be in charge of paying for those services lifting that burden off the actives' shoulders. During the process, we updated our House line phone number from (414) 344-2929 to (414) 288-2929.

In addition, with Marquette's assistance, we were able to purchase the new carpet for the house. The carpet will be replaced over the next summer months. We will be replacing the carpet in all common areas of the House. Although we are not looking at replacing the carpets in each bedroom at this point, Marquette will steam clean all carpets in all bedrooms over the same period. As always, please feel free to contact me with any suggestions or comments, as we are always looking for interested alumni to help us maintain our Chapter House.
