Active Chapter Report—Sean Coad

Triangle hosted Fall Fest on October 10th. It was a carnival-type event and was a fundraiser for Habitat for Humanity. It included events such as ring toss, dart throw, pie and triangle. It also included typical Wisconsin Fall foods.

The first official party of the semester, a Highlighter party, was held. There were 188 guests and included 8 brothers from the MSOE chapter.

The Chapter currently has 2 pledges. They are also pledging Professor Meus, father of Brother David Meus, as an Associate member.

A Halloween mixer with Alpha Chi Omega sorority is planned for Friday, October 30th.

A joint Chow (dinner) with Alpha Xi Delta is hoped to be planned in the future.

Brian Tenclinger will be visiting the weekend of November 14 to host a recruiting seminar. Due to the number of Senior Brothers who will be graduating and the low pledge classes on campus, this will be of major importance.

Brother Leo Glass (Nebraska '03) may also visit in November. He wants to discuss the implementation of a 4-year membership education program. The Active chapter is looking forward to this.

K.S.R. has asked the Active chapter to present the current class' pledge project and a progress report at our November meeting.

Discussions were had on:

- House cleanliness
- House bills
- Recruitment

House Manager Report—Nick Sayotovich

Nick is waiting to hear from the person he has been working with regarding House improvements. He also hopes to have a person from MIAD within the next month.

Based on Brian Tenclinger's report from his recent visit, discussion centered on House cleanliness.

The meeting was adjourned at 9:01 PM.

President Mike Meyer will set the next meeting date via email.
